

LAUREN BARKER

P.O. Box 223, Cayucos, CA, 93430 | www.weblbdesigns.com | (805)-235-1227

Career Goals

To continuously learn and gain skills in the web development industry with challenging and creative projects while maintaining an active lifestyle.

Education

California Polytechnic State University, San Luis Obispo
Bachelor of Science in Graphic Communication
Concentrations: Print and Imaging Management & Web
Development

Graduation
Dec 2008

Employment History

Morro Bay Harbor Dept: Beach Lifeguard & Junior Lifeguard
Instructor
Ensure patron safety on the beach and in the ocean. Educated
kids on ocean safety while improving their swimming/ocean
skills.

May 2002
to Sep 2008

Commercial Photographer: Villages Retirement Communities
I created a photography portfolio for The Villages Retirement
Communities. Photos from the portfolio were used for
various commercial advertising purposes.

June 2008
to August 2008

Alex BBQ: Hostess
Welcomed and provided customer service in a fast paced
working environment. Took and prepared to go orders.

Dec 2005
to June 2005

Wavelengths Surf Shop: Cashier
Welcomed customers and provided excellent customer
service. Created merchandising displays.

May 2004
to Oct 2005

Highlights

Online Portfolio

A true representation of my web development, photography, and design skills.

LHB & Associates Website

Drawing from information gained from meetings with LHB & Associates, I created
an effective website that will help their business grow.
Site URL: www.lhbassoc.com

Mat Pica Pi Vice President 2007-2008

Helped President coordinate meetings and plan the yearly events such as the New
Student Barbecue, International Printing Week, Open House, winter and spring
banquets, and the annual Mat Pica Pi Golf Tournament.

Extended Study in London: Summer 2006

I toured companies and historical sites in England and Scotland including DSTi,
Lavenham Press, Polestar, Pillans & Waddies, and CATS Solutions. I also attended a
training facility for The Guardian in central London; toured St. Johns College Library in
Cambridge where I viewed printed works of Caxton; and toured the British Library,
where I viewed printing artifacts including an original Gutenberg Bible.

Estimator for Universtiy Graphic Systems

University Graphic Systems (UGS) is a full service, on-campus, printing and publishing
company managed and run entirely by students. I performed Job Estimates and
coordinated with sales staff to capture clients.

Interests

I love being outdoors and enjoying nature. Surfing is at the center of my lifestyle
while snowboarding provides me with sheer joy. I'm always up for an adventure,
new experiences, and meeting new people.
